INSTRUCTIONS

Simplified parts for all levels are available.

If you are playing from these parts, owning the books is not necessary. For more information concerning these parts, contact your private harp teacher or Bette Roth (betroth@bellsouth.net).

Music recommendation for the performances

Photocopy the parts you have chosen to play. If you are skipping piece(s), write the piece name on a blank sheet of paper and put it in the binder in the appropriate spot so you will always know the order. Put music in order for the full concert version, using a red or black hard cover binder.

SOLOS

Christmas solos are welcome and will be performed at most venues except where sound and volume is an issue. **If you would like to play a solo, contact Bette Roth** (betroth@bellsouth.net). In case someone else has already reserved your first choice solo, you might want to have a second choice available.

ATTIRE

Females: black pants/skirts and solid, bright Christmas-color tops. Elementary-school-age females have the option to wear a Christmas party dress.

Males: black (or other dark color) pants and white or single-color shirt

REMEMBER

Always bring your harp, bench, music, music stand, tuning key, tuner, pencil (for rehearsal), and extra strings if you have them.

ALWAYS

Give yourself plenty of time to unload, set-up, and tune. Arrive at least 30 minutes before the starting time. Questions? Contact Bette Roth, Artistic Director, AHS Charlotte Chapter Christmas Concerts (betroth@bellsouth.net).
